BIOGRAPHY

The Official DJ for the Tampa Bay Rays Major League Baseball Team, founder of the Certified Fresh DJs and CEO of DJ Fresh Events, Doug Hensel a.k.a. DJ Fresh is one of the most sought after entertainers in The Sunshine State.

Since starting his career in 1999, DJ Fresh has been Voted one of the Top 3 Corporate Entertainers by the Tampa Bay Business Journal and "Best DJ to Change the Game" by Creative Loafing.

He has been asked to host national sporting events such as the Super Bowl working with the NFL directly, Major League Baseball All-Star Break, NCAA National Championship Concert Series as well as celebrity events for Usher, Rihanna, Jamie Foxx, Pitbull, Chris Brown, The Roots, and even Mr. Elwood Blues himself, Dan Aykroyd.

DJ Fresh can be seen every Friday Night live at Tropicana Field pumping up the players and fans in the stadium for the Tampa Bay Rays Home Games.

Well known for creating some of the most entertaining themed events in Tampa Bay, DJ Fresh continues to customize the dance floor each night with a unique twist to constantly keep the vibe fresh. DJ Fresh would rather refer to himself as an entertainer than just a DJ, often being asked to host a multitude of unique parties, events and charity functions across the country.

DJ Fresh can also be seen live on HSN (Home Shopping Network) as a guest host and electronics expert representing such brands as Sharp, Beats by Dre, Samsung and Margaritaville and mixing live on air for celebrity product launches.

There are no limits to the genres of music mixed in to a DJ Fresh set. His record selection, personality, mixed with his energy is what makes him so popular to everyone he comes in contact with.
